MOTION TO ALLOW AND FIX TIME FOR FILING OF REPLY BRIEF BY COMPLAINANTS TO DEFENDANTS' BRIEF.

To the Honorable the Chief Justice and the Associate Justices of the Supreme Court of the United States:

The complainant states of Wisconsin, Minnesota, Ohio, Pennsylvania, Michigan and New York, by their respective attorneys general, respectfully move this Honorable Court that a time be fixed and allowed for the filing of a reply brief by the complainant states in answer to the defendants' brief filed in this Court on January 19, 1959:

Complainant states show that the reasons for requiring additional time to file a reply brief are that certain im-

portant information and data needed for the benefit of the court will not be available for some time. This information relates to a further study now being made by the Corps of Engineers, U. S. Army, concerning damages to navigation and shipping suffered by the complainant Great Lakes' states by reason of diversion of domestic pumpage water at Chicago by defendants; and to data relating to the efficiency of operations of other sewage disposal plants in the Great Lakes' area which will show that (in our opinion) the operations of defendant Chicago Sanitary District Sewage Disposal Plant at Stickney are not in compliance with the recommendations of Special Master Charles Evans Hughes, nor in conformity with a judgment and decree of this court.

Wherefore complainants move this Honorable Court that the date for the filing of their reply brief be fixed as of March 31, 1959.

Respectfully submitted,
